

# District 3 Inventory

*What are we doing right in District 3? Are there things we can be doing better? We want to hear from everyone!*

**13<sup>th</sup> St Clubhouse**  
**Sunday August 6, 2017**  
1:30 – 4:00 pm

We know how important an inventory is to the individual AA member, but did you know that it can be used to understand how groups and other AA entities can improve?

We want to hear from everyone about ways to better engage all members and groups in our district. Please come ready to share your thoughts and learn from one another. Food Provided.
